

Recall Summary: Albendazole_Tablets_400mg

Date Recall was Issued: 25/02/2020

Product Name: Albendazole Tablets, 400mg

Product Type: Drug

Manufacturer: GlaxoSmithKline

Recalling Firm: GlaxoSmithKline

Batch(es): 350137

Manufacturing Date: 01/08/2015

Expiry Date: 01/08/2020

Reason for Recall: 25 th February 2020 Albendazole tablets 400mg GlaxoSmithKline
GlaxoSmithKline 350137 08-2015 08-2020 Substandard (Product failed quality evaluation with respect to Dissolution) Announcement This recall is necessitated as a result of warehouse market surveillance conducted at the warehouse. Actual product specification is a powder for oral suspension. The affected batches were caked and not free flowing. This makes the product substandard and therefore not recommended for its intended use.
